RECYCLING INFORMATION

Items collected at curbside are picked-up in a Single Stream Process; it is no longer necessary to separate your Recyclables for collection. Morton Residents diverted 1,915,328 lbs of recyclable materials from being deposited in the landfill between Oct. 2008 – Sept. 2009.

ITEMS COLLECTED AT CURBSIDE INCLUDE:

- **#1 and #2 Plastics (NO PLASTIC BAGS) excluding containers that have contained hazardous or flammable chemicals in them**
- **Cans made of steel, aluminum or bi-metal**
- **Clear glass bottles and jars**
- **Cardboard broken down no larger than 2 ft. x 2 ft. bundled or contained**
- **Newspapers, catalogs, phone books, magazines and junk mail**

All containers must be rinsed out before pickup, this will reduce contamination and odors. All Recyclables must be placed in approved Recycle Containers provided by the Village. Your new recycle schedules for the year are left in your recycle bin the last two full weeks of December.
